252 sf acrylic pool

## DESCRIPTION

Constructed 2 elevated pools on the 34th floor - these 2 pools were Bradford and all tile. The larger pool is a stainless steel gutter pool with tile. The smaller pool is a Bradford stainless steel pool with an acrylic floor that cantilevers over the edge of the building on the 34th floor. This smaller pool also has tile on the walls and floor up to the acrylic panel. Completed 2023.
